

Dualit

Vario toasters

Vario toasters

Dualit's Vario toasters are a design icon, having earned their reputation in the harsh reality of catering kitchens all over the world. Each one is hand-assembled and features the assembler's individual mark on the base plate. In an incredible spectrum of scrumptious colours (from rich cream to striking red) and no less than four sizes (two, three, four or six slice options), Vario toasters also feature our award winning, patented ProHeat technology to increase the life and toasting efficiency of the elements.

All Vario toasters feature:

- Award-winning ProHeat elements
- Mechanical timer
- Manually operated eject lever to keep items warm until needed
- Adjustable inner wire guard to grip toast
- Replaceable parts (you don't throw a Vario toaster away, we repair it for you!)
- Hand-crafting – as identified by the individual assembler's mark on the base plate
- Easy cleaning with a stainless steel cover
- High lift mechanism to remove small items easily
- 28mm slots to accommodate larger items and the optional sandwich cage
- Concealed crumb tray
- Adjustable rear foot
- Optional sandwich cage (with built-in drip tray) and warming rack accessories (fit all models)
- Two year guarantee on elements

2 slice

Capacity	1 or 2 slices
Output per hour	65 slices
Loading (kW)	1.2
Dimensions (cm)	26 x 21 x 22
Weight (Kg)	3.5

Capacity	1, 2 or 4 slots
Output per hour	65 slices, 40 sandwiches
Loading (kW)	2.2
Dimensions (cm)	36 x 21 x 22
Weight (Kg)	4.5

Combi toasters®

The Dualit Combi toaster is the ideal solution for those that want the flexibility and convenience of making both toast and toasted sandwiches. All Combi toasters come with at least one sandwich cage and a comprehensive recipe book, as well as the energy-saving feature of individual slot controls.

The 2+1 model comes with one sandwich cage and individual controls for one, two or all three slots. The 2x2 model comes with two sandwich cages and individual controls for one, two or all four slots.

Sandwich toasters

The perfect way to make toasted sandwiches, Dualit's Sandwich toaster is compact, convenient and specifically designed for the job in hand. Available in two sizes, the sandwich toaster comes complete with sandwich cages and independent slot controls (so you only use the ones you need). The two slot version has two sandwich cages and independent slot controls. The four slot version has four sandwich cages and controls which allow 1, 2 or all 4 slots to be operated.

Bun toasters

Specifically designed to make perfect burger buns, hot cross buns, bagels, muffins or tea cakes, Dualit's bun toaster toasts one side of the bun, whilst warming the other. Dualit bun toasters accept bun halves up to 115mm diameter and 28mm thick and are available in 4 or 6 slot versions.

2 sandwich

Capacity	1 or 2 rounds
Output per hour	40 rounds
Loading (kW)	1.5
Dimensions (cm)	31 x 21 x 22
