Double glass door refrigerator cabinet

The EcoPro G3 range of cabinets offers a combination of cutting-edge refrigeration technology, low running costs and reliability, making them the first choice for the foodservice professional.

Features & Benefits

- Foster Shield provides advanced temperature control and hygienic design, protecting from the dangers of unsafe food storage. With air distribution optimised by CFD design technology, efficient operation is assured, even when shelves are fully loaded
- With PureControl, the G3's controller display uses pure LEDs, incorporating InGaN technology, which means it achieves higher resolution, lasts longer - all while using less power. Through the simple addition of a gateway, you're connectivity-ready
- Fitted with our new and improved +stayclear condenser which helps increase product life and reduce energy consumption, +stayclear helps your low energy fridge stay a low energy fridge. Now fitted across the cabinet and counter range as standard
- Market leading usable capacity, now supplied with 8 shelves as standard making your money go further – holds more than a conventional fridge
- Supplied with glass door for optimum visibility of stored product
- This glass door model uses energy efficient LED lighting to enhance the display of stored products
- Operates efficiently in ambient temperatures of up to 32°C (ISO Climate class 4)
