

3-SECTION REFRIGERATED COUNTER, HC SCR-180DG-LRR-RRC-C1 U

Product series: Snowflake GII

Item number: 879020861

The Snowflake GII series is brought to you by Japanese and Danish engineering excellence, dedicated to simplifying the day-to-day work routines of kitchen staffs all around the world.

The technology behind the performance boost of Snowflake GII is the tropicalised cooling system enduring up to +40°C. Additionally, the cooling agent of the new generation of Snowflake is the eco-friendly refrigerant R290, a natural gas (HC) that enhances the performance and cuts down energy consumption significantly.

Both interior and exterior are built of anti-corrosion stainless steel, which is among the best choices for hygienic and food safe cooking environments.

The Snowflake GII SCR-180DG-LRR-RRC-C1 U is a 3-section refrigerated counter with a net internal volume of 257 Ltr.

As a product that is designed and built to last, this refrigerated counter combines an innovative design concept, premium materials and clever extras:

- Minimum cool air lost: double insulated and extra wide door gaskets help to keep the cold air into the cabinet
- Both interior and exterior are built of stainless steel which is among the best choices for hygienic and food safe cooking environments
- Anti-tilt mechanism: extra-long drawers with u-shaped, telescopic rails
- Multiple door-drawer combinations possible
- Removable gaskets make sure you can clean the device thoroughly
- This and other thoughtful extras, such as the cleaning-free condenser, are designed to reduce kitchen cleaning times whilst storing foods protectively in the best possible way

The refrigerant used in all Snowflake GII HC models is R290.

This agent is a natural gas which enhances the performance of the refrigerated counter and has, compared to other refrigerants, a minimal ozone depletion potential.

SPECIFICATIONS

Product title	3-Section Refrigerated Counter, HC
Temperature range	-2/+8°C
Internal volume gross (l)	500
Net usable volume (l)	257
CO2 equivalent (kg)	0.237
Net weight (kg)	117
Gross Weight Packed (kg)	141
Climate class	5

Energy label	C
Interior	Stainless steel
Exterior	Stainless steel
Number of shelves	6
Electric connection Load (kW)	0.19
Electric connection	230V, 1N-/50 Hz
Outside Dimensions W x D x H (mm)	1780 x 700 x 856 (with castors)
Refrigerant	R290
